**BOX&CO HAVE TRANSFORMED KFC'S KELVIN GROVE STORE INSIDE AND OUT IN JUST FOUR WEEKS.**

To add to the challenge, the store was only fully closed for one week with the drive through re-opening for business during the remaining construction time.

As Principal Contractor, Box&Co's role included refurbishing the front and back of house areas and a re-modelling of the external facade to current branding standards.

Thanks to great design and Box&Co's meticulous attention-to-detail, the finished result is nothing short of spectacular.

# WORKING TOWARD ZERO DEFECTS

OUR FOCUS ON HIGH QUALITY OUTCOMES IS SETTING US APART FROM OUR COMPETITORS AS WE CONTINUE TO STRIVE FOR ZERO DEFECTS. AND OUR SOLUTIONS-BASED APPROACH TO PROJECT ISSUES IS ALSO RECEIVING PLAUDITS FROM ALL CLIENTS.

We were expecting a spike of activity this quarter, however, this has not eventuated. The low level of activity may have occurred due to the continued lack of leadership at all levels of government and slow growth in the Queensland economy.

The high density residential market is still underpinning all positive statistics for our industry with all other sectors very flat indeed.

Box & Co has worked hard to maintain targeted revenue levels for this quarter. We have continued to expand into aged care on the back of successful projects completed in this sector over the last 2 years.

Given the slow start in Q1, we anticipate a very busy end to the calendar year and Q2 as organisations push to complete works prior to the Christmas holidays.

## INSIDE THE BOX

### ABOVE: FAREWELL ALEXEI!

A couple of weeks ago we said farewell to Alexei after 8 years with Box&Co. We wish him all the best for the future.

### LEFT: END OF AN ERA.

While we are still happily settled in our flagship Logan Road building, the original Box headquarters in Holden St has now been sold, with the site ear-marked for high-rise residential. Keep watch on progress there.
