

Q2

BOX&CO BACK ON CAMPUS

FOLLOWING OUR AWARD WINNING WORK ON QUT'S O BLOCK, BOX&CO HAS JUST COMPLETED A MAJOR REFURBISHMENT OF **UQ'S ICONIC FORGAN SMITH BUILDING**.

The project, designed by DM2 Architecture, involved renewing the existing lecture theatre and tutorial spaces to create a 180-seat lecture theatre and two smaller seminar spaces.

The new 710m² space was delivered in just seven months, in the midst of a busy university environment.

MEETING THE CHALLENGE

THE SECOND QUARTER OF ANY FINANCIAL YEAR IS ALWAYS CHALLENGING IN THE BUILDING INDUSTRY.

Q2 OF 14/15 WAS NO EXCEPTION.

There was the normal rush of pricing leading into Christmas and we were able to secure adequate work for the slow period in January/February.

We have adjusted our revenue target for 14/15 from \$21m to \$20m due to smaller than anticipated projects coming to market.

The overall economic outlook appears to be remaining relatively flat and unchanged for the next 6-12 months.

There is potential that the weakening \$AUD may help domestic business and the overall economy.

Our teams have continued to perform exceptionally well in a very tight and competitive market place. Our continued focus on high quality product delivered on time is certainly resonating with our clients.
