

# BOX MAKES LIBRARY RETURN NEARLY THIRTY YEARS LATER

AFTER G. & J. BOX COMPLETED BICENTENNIAL WORKS AT THE NUNDAH LIBRARY BACK IN THE 80s, BOX&CO HAS RETURNED TO REFRESH THIS CLASSIC BUILDING FOR A NEW GENERATION.

Commissioned by the Brisbane City Council, the work included a complete refit of the interior and major changes to the building's exterior, moving the main entry to what was formerly the building's rear and adding a 180m<sup>2</sup> undercover area with booth seating and stained hardwood decking.
