

THE SKY'S THE LIMIT

PROJECT:
Brisbane Airport
Skylight Replacement

CLIENT:
Brisbane Airport
Corporation

LOCATION:
Brisbane Airport

**BOX&CO HAVE JUST DELIVERED
ANOTHER HIGHLY SUCCESSFUL
PROJECT FOR BRISBANE
AIRPORT CORPORATION.**

The Box&Co team have demolished and re-installed almost 500m of skylight over the whole length of the domestic terminal.

The ten-week project operated night and day with all demolition and install done at night whilst the roof flashings and scaffold jumps were completed during the day.

MANAGING
DIRECTOR'S
REPORT

WORKING THROUGH THE CHALLENGES OF 2020

OUR RESEARCH AND OBSERVATIONS SUGGEST THAT THE ECONOMY IS MOVING AT SEVERAL DIFFERENT SPEEDS.

The housing and residential construction market is strong, given the current stimulus and low cost of money.

Certain domestic consumer markets are stronger than ever including cars, caravans and boats given that consumers are

not travelling internationally and are re-directing funds into items that allow use during the COVID restrictions. And some markets are dead (i.e. global travel).

The medium term outlook is generally negative and the Government will need to take decisive action with their upcoming federal budget to re-establish consumer confidence.

Box&Co has been fortunate to secure a reasonable amount of work for this calendar year.

We are, however, cautious about the outlook beyond December.

Jacqui is one of the hardest working members of the Box&Co team.

TIME FLIES WHEN YOU'RE HAVING FUN

IT SEEMS LIKE JUST YESTERDAY THAT JACQUI KENNEDY JOINED THE BOX&CO TEAM.

However, incredibly, it's actually 10 years ago!

Jacqui started at Box&Co back in 2010 as an Accounts Clerk and has been the Administration Manager/Accounts Payable Manager for the last eight years.

Jacqui wears many hats in her role at Box&Co, from event organiser to marketing co-ordinator and helps to keep everything running smoothly at Box&Co HQ.

Thank you Jacqui for all you do and congratulations on your 10 year milestone!
