A GOOD END AND A GREAT BEGINNING

THE SECOND QUARTER OF FY17/18 PROVIDED SOME WELL NEEDED POSITIVITY HEADING INTO OUR TRADITIONALLY QUIET TIME OF DECEMBER AND JANUARY.

With construction activity continuing to moderately increase, we are hopeful this trend will continue into Q2 and Q3, and break the lack luster cycles of the last three years.

Our teams at Box&Co performed exceptionally well in 2017 with due consideration of the many challenges of our industry.

After a couple of weeks of R&R, we now head into the new year with renewed energy and an excitement for the plans and projects that lie ahead.

We look forward to working with you this year and making 2018 a great year for Box&Co, our clients, suppliers and friends.

INSIDE THE BOX

BEERS ON BOX

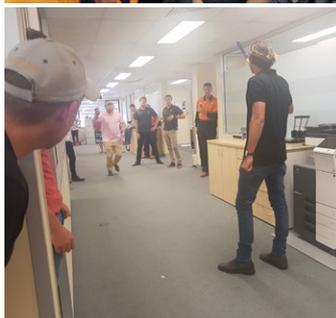

OUR ANNUAL 'BEERS ON BOX' WAS YET AGAIN A HUGE SUCCESS.

A great time was had by all at the Australian National Hotel – lots of catching up and laughs with our subcontractors along with a beer and nibbles.

PULLING UP STUMPS FOR 2017

Box&Co celebrated the last working day of 2017 with some 'indoor cricket' in the hallways of the Box&Co head office.

The photocopier and lights may have got knocked for six but in the words of the legendary Richie Benaud, it was a 'marvellous' way to wrap up a great year for Box&Co.

CATHEDRAL
SQUARE
STAGE 2:

OUTSIDE THE BOX

LANDSCAPE CONSTRUCTION MAY NOT BE YOUR FIRST THOUGHT WHEN YOU HEAR THE BOX&CO NAME, HOWEVER CATHEDRAL SQUARE IS A FANTASTIC EXAMPLE OF OUR OUTSTANDING LANDSCAPE CONSTRUCTION CAPABILITIES.

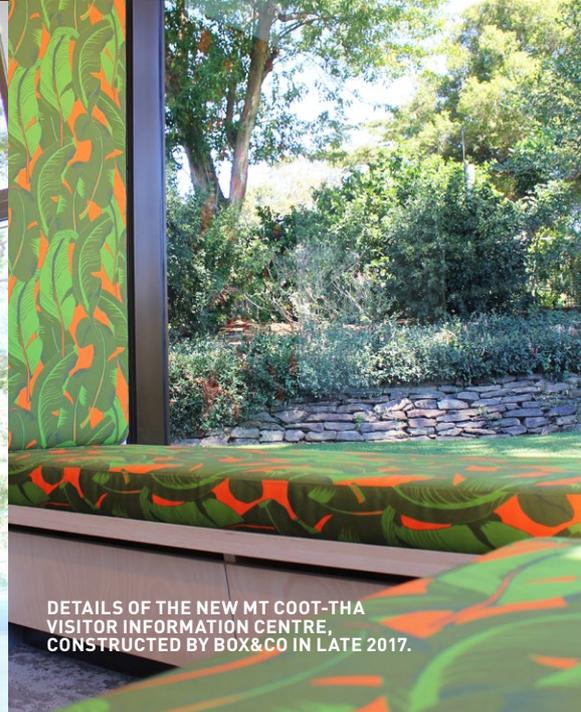

Box&Co has now successfully completed two stages of this significant rejuvenation project for Brisbane City Council.

The second stage, completed in November 2017 included vast areas of paving, new hard and soft landscaping and a new toilet block for the square.

We love to get outside of the box and are looking forward to more landscape construction in 2018.
