

CRIQUEY IT LOOKS GOOD!

PROJECT:
Crikey Café, Australia Zoo

CLIENT:
Australia Zoo Operations
Pty Ltd

LOCATION:
Australia Zoo, Beerwah

BOX&CO WAS THRILLED TO FOLLOW ON FROM OUR LAST JOB AT AUSTRALIA ZOO WITH A STYLISH MAKEOVER OF THE ZOO'S CRIKEY CAFÉ.

The primary dining area for visitors to Australia Zoo, the café stretches over an enormous space, tucked away behind the world-famous Crocoseum.

The major refurbishment included new food display and serving counters, electronic menu boards, a stylish coffee shop counter and a number of pay 'islands' incorporating self-serve stations for condiments. The work also included some spectacular new

signage and new ceiling treatments throughout incorporating feature timber panels and designer lighting. Creative additions like green walls and laser cut counter fronts also help to make the space a beautifully inviting place for zoo-visitors to take some time out.

With the whole project again carried out in an operating zoo environment, we are very proud of our team and the final result. Thanks too to Australia Zoo for their support and making the project such a positive experience for all.

REPORT

GROWING OPTIMISM FOR THE YEAR AHEAD

WHILST 2019 Q1 STARTED ON A RELATIVELY FLAT NOTE, THERE WERE A FEW SMALL GREEN SHOOTS OF OPTIMISM APPEARING DURING Q2.

The opportunity and tender lists started to fill out with some substance and whilst this can take time to be realised into revenue, the buds of positivity are there as we look forward to the early part of Q3.

Some particularly upbeat signs in the retail, tourism and industrial food and beverage sectors have arisen as a result of a continual softening in the residential markets which, hopefully for us, will continue through 2019.

Health and aged care will also continue to flourish as a demand grows in our ever-aging population.

There also appears to be some good growth in the Sunshine Coast region which Box&Co hope to capitalise on as 2019 gets moving into full swing.

ANNUAL CHICKEN TROPHY

THE FRIDAY afternoon chicken comp is a long-standing Box tradition that began many, many years ago when a frozen chook was considered quite a luxury. Keeping the tradition alive, we still compete in a dice game every Friday to win the chook and the person who wins most times throughout the year has their name engraved on the Annual Chicken Trophy. In 2018, that lucky person was Lida Malan. Who will it be this year?

MUCH IMPROVED PITCH

AS WE pulled up stumps on 2018, the Box&Co team celebrated with our annual last day cricket match. Our spectacular new pitch was a huge step up from the former office corridor and inspired some fine form with the ball and the bat.

FAREWELL SACHIN

WE ARE sad to say goodbye to Sachin from our estimating team. In his third year at university, Sachin has taken the opportunity to participate in an exchange program and is now off to the Netherlands. We wish him well on his adventure!
