

GEM OF A PROJECT FOR BOX&CO

PROJECT:
Little Gems Childcare
& Early Learning Centre

CLIENT:
Little Gems Childcare
& Early Learning

LOCATION:
Helensvale

VALUE:
\$3.5 million

THE BEAUTIFUL LITTLE GEMS EARLY LEARNING CENTRE, CONSTRUCTED BY BOX&CO AT HELENSVALE, IS A SPECTACULAR EXAMPLE OF MODERN CHILDCARE.

Opened in January 2018, the large centre is home to seven purpose-built childcare rooms catering for babies to kindy-aged children.

At the heart of the centre is a large, astroturfed play area with expansive shade sails for sun protection.

The project also included the construction of the carpark, roadside verges and extensive retaining walls at the rear to maximise the prime Helensvale site.

As a family-owned builder, we take great pride in being involved with a project that will have a positive impact for families in the local area for a long time to come.

SETTING UP FOR A STRONG FINISH

Q3 IN ANY GIVEN FINANCIAL YEAR IS TRADITIONALLY QUIET DUE TO THE CHRISTMAS PERIOD.

REGARDLESS, BOX&CO HAS PERFORMED IN ACCORDANCE WITH OUR TARGETS.

The activity levels generally spike leading into Easter but this has not occurred in FY18.

This may be due to the uncertainty in Global Markets flowing into the domestic Australian market.

Interest rates remain low but increases in compliance associated with bank loans may have also affected general sentiment.

We are looking forward to a strong finish to FY18 and are hopeful of this continuing into Q1 of FY19.
