MANAGING
DIRECTOR'S
REPORT

WE'RE STILL ON THE JOB

THE ENTIRE BUSINESS ENVIRONMENT HAS BEEN SENT INTO A PERIOD OF HIGH UNCERTAINTY DUE TO COVID 19.

The Australian Government acted very quickly and effectively with the implementation of the Jobkeeper and Jobseeker programmes.

These programmes, coupled with other government support will assist some companies with their viability.

The Government will need to initiate more widespread economic stimulus when these programmes end, to ensure a softer landing for our economy.

The construction environment remains highly competitive with less jobs starting across all sectors. This will only escalate over coming months.

Box&Co has been very fortunate in the short term by securing projects that have remained unaffected by COVID thus far.

We are anticipating further contraction across our whole industry before any recovery begins. The government will have a large part to play in this regard and should be well advanced in planning stimulus packages for 2021 and beyond.

A DECADE OF DES

A MASSIVE CONGRATULATIONS GOES TO DES BRODIE FOR TEN YEARS OF SERVICE WITH BOX&CO.

After proving his abilities he moved into a supervisor role a couple of years later, which was then followed by another move up to Project Manager.

A decade on, Des now heads up the construction team as our Construction Manager.

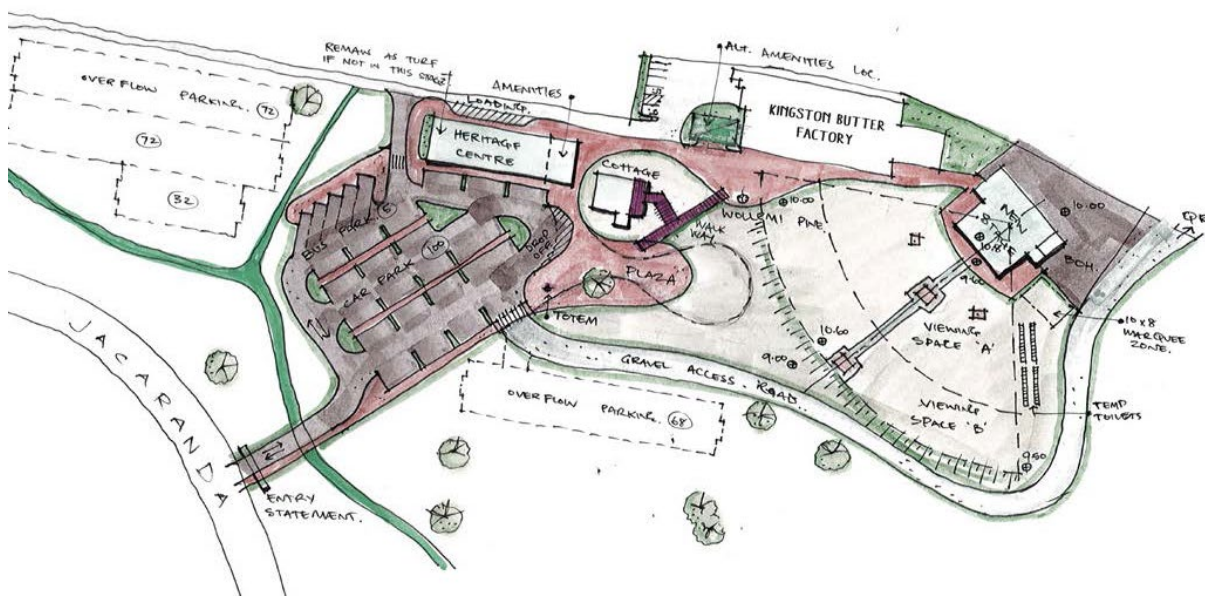

Over the last ten years, we're proud to have witnessed the growth of Des, professionally, and follicly.

Thank you, Des, for your enduring commitment to Box&Co and our clients!
